Pregnancy Care Center

baby bottle   campaign

When a woman finds herself facing an unexpected pregnancy, it is easy for her to feel alone. By filling up bottle of change, you join a community dedicated to supporting her and the unborn life she carries.

Because of supporters like yourself, we are able to keep our doors open. Women and men can come to our center and have their questions answered, see their baby on the ultrasound, receive needed supplies, and learn more about becoming good parents. That little bottle allows us to connect with our patients and invite them into a loving community.

What will your spare change do?

- $18 will pay for 7 clients to receive LIFE AFFIRMING materials…

- $35 keeps the phone lines open for another day…

- $60 provides a pregnancy test and counseling for one client…

- $95 provides an ultrasound for one client…

- $125 provides parenting education for a client…

- $195 insures our doors are open for another day...
