

*Life* IS A  
**GIFT**

MERRY CHRISTMAS!

This Christmas we think back on the greatest gift the world has ever been given: **Christ**.  
He came in the form of a human child and blessed us all beyond understanding.

This Christmas we are so thankful for our sponsors that allow us to continue to share this message and the message that life is truly a gift!

We couldn't do it without you.

**Merry Christmas**
