regret

YOUR ABORTION?

You made the decision you thought was best, but now it seems to be hurting you more than you ever thought possible, and causing unexplained

emotions and hardships.

Abortion affects everyone differently.

If you are experiencing any of the following symptoms, you are not alone.

- Emotional deadening
- Increased tendency toward anger or rage
- Feelings of loneliness or isolation
- Lower self-confidence than usual
- Suffering from insomnia or nightmares
- Greater difficulty in maintaining or developing relationships
- Increased or beginning use of drugs or alcohol
- Eating disorders (binge eating, anorexia, or bulimia)

If you would like to make an appointment to discuss your options, please call **1-800-338-8928** or **www.PRCRESOURCES.com**
