

Under His Wings...

The Story of God's provision for and through Compassion Pregnancy Center in 2008-2009
An Annual Report and information packet.

From the Director

My Dear Friends,

I can't tell you what a blessing it is to be serving the Lord here in this ministry! Over the last 15 years I have had the privilege of watching the Lord grow this ministry from the basement of one of our board members into a thriving ministry with three locations around the county!

God is doing a great work here through the staff and friends of our center and I want to thank each of you who have partnered with us to make that possible. Nothing gives me more joy than to see the look of love on a young woman's face when her baby, once considered a "mistake" or a "problem" has become the light of her life. The gift of hope we share with these women is nothing short of a miracle. That hope comes from the truth found in Jeremiah 29:11, "For I know the plans I have for you," declares the Lord,

"plans to help you, and not to harm you; plans to give you a hope and a future."

Never has our world needed hope more than it does today. We have the opportunity to be the hands and feet of Jesus, helping those around us in very practical ways. The opportunity to share a life-affirming, hope-giving message with a group of people who generally do not step inside the doors of any church. Thank you for supporting us as we reach out with hope and love in the name of Jesus Christ!

For His Glory,

Jessica Norman
