Pregnancy Care Center's
BABY BOTTLE CAMPAIGN

God demonstrated how important connections were when He sent His son to restore our fallen relationship with Him. Our ministry is built on connections. We connect with Christ, relying on His grace to carry out His will. We connect with our patients, offering them counseling, resources, and compassion. We help

them connect with the little life growing in the mother's womb. We connect with our supporters, sharing in this exciting mission as we work together as the hands and feet of Jesus Christ.

Each connection, whether made in person, through writing, or by a screen, is unique and treasured. They encourage and empower this ministry, and we invite more to be formed!
