bloom where you are planted

Let's break that down. First there's "bloom," an action done within yourself; a way to promote inner growth. Next there's "where you are," meaning where your life takes place, where you exist. Finally, let's look at "planted." Being planted requires a lot of care, thought, and hope, especially if it's not somewhere you planned to be. Now all together, "bloom where you are planted" means grow in the position where life has placed you.

As we hand out baby bottles today, you have the opportunity to help our ministry grow and help young and unexpected families bloom where they were planted. Every time you add money to this little bottle, say a prayer for our clients, volunteers and staff. Ask God if there is a way you can help us grow and be a part of our ministry through volunteering or if you can provide a service or type of good that we need.

How much will be in your bottle?

- **\$20** keeps the phone lines open for one frightened caller
- **\$40** provides a pregnancy test and counseling for one client
- **\$65** provides an ultrasound for one client
- **\$175** insures our doors are open for one day
- **\$500** provides abstinence education for 50 students

We can't continue to provide these services without your help. Will you partner with us in this simple way to save lives? It's as simple as picking up a bottle. Fill it with change, bills or checks and bring it back to the church on the collection date.
