## Baby Bottle Insert

It says in God's word in Isaiah 54: "He set the earth on its foundations; it can never be moved... [the waters] flowed over the mountains, they went down into the valleys, to the place you assigned for them." From the beginning of time, God spoke the world into being, beginning the ultimate adventure - **Life**.

Seeing new life can often feel like an exploration of unknown territory, but each day you can choose to take a step forward in boldness with hope for a remarkable destination. Because of the great sacrifice of Jesus Christ, He assures us that we will have peace and joy throughout the journey. "I have told you these things, so that in me you may have peace. In this world you will have trouble. **But take heart! I have overcome the world.**" Take heart, He has overcome the world!

God creates each life for a purpose. Each life is a part of His Adventure. Join us today in filling a baby bottle, to help preserve the most vulnerable - **the unborn child**.

The purpose of our **local pregnancy center** is to be an avenue for those who are broken and confused, facing an unplanned pregnancy or similar situation, regardless of racial or social status. We are here to share in the brave adventure and in the love and care of Jesus Christ. We provide many services to clients in order to educate them, get them back on their feet, and to prove that *Life is an Adventure worth supporting!*

As a non-profit organization, our services and facilities are made possible by donations from churches and individuals in the community who believe and trust that **Life is an Adventure**. Please prayerfully consider how God can use you in helping in the coming year.
