2017 ANNUAL BANQUET

Pregnancy Resource Center of Mountain Grove

Who We Are Program

We exist to protect the sanctity of human life, especially life in the womb; to affirm women and men in their dignity as mothers and fathers; to promote a culture of life in our community.

The free, confidential services we provide include:

- Pregnancy Testing
- Abortion Recovery
- Sexual Integrity Education
- Options Counseling
- Referrals for Community Services
- Material Assistance

A NOTE FROM THE DIRECTOR

Dear Friend,

What a blessing it is to have you here with us tonight to celebrate the life-saving work of the Pregnancy Resource Center. It has been 9 years since the Lord called together a group of individuals seeking to reach women and men in our community with the goal of “touching hearts and saving lives”. You, of course, are an integral part of this work.

In the past year, your support allowed us to provide services to over **165** women. Of course, when we consider the **113** ultrasounds performed and **92** fathers that are involved, this represents at least **370** lives directly impacted by the PRC in 2016. When we also add the **423** students who were presented our abstinence education program in the local schools, this number grows to at least **793** individuals we have had opportunities to reach out to in the past year.

As the message and influence of this ministry continues to spread farther than we can even imagine, we have no reason to doubt that together with you, our culture can be transformed into one that embraces and values LIFE -- at every stage.

In His Service,
Karen Fowler
