Program - Inside

Who We Are

We exist to protect the sanctity of human life, especially life in the womb; to affirm women and men in their dignity as mothers and fathers; to promote a culture of life in our community. The free, confidential services we provide include:

- Pregnancy Testing
- Abortion Recovery
- Sexual Integrity Education
- Options Counseling
- Referrals for Community Services

A Note From the Executive Director

Dear Friend,

Thank you for being here tonight to celebrate and partner with us in this lifesaving work. Nothing we accomplish would be possible without your help.

Your support allowed us to minister to 1,125 women and men, and save 33 babies and their parents from the tragedy of abortion. Just imagine what we can do over the course of the next year as we strive to reach above and beyond the past.

We come together tonight to celebrate. We rejoice in the lives saved, the women assisted, and you, the generous souls, that facilitate this work of God. Please prayerfully consider joining in the amazing work God has called us to do as we move forward to becoming a medical center where we can provide free sonograms to women considering abortion.

Thank you again for your prayers and financial support. Please drop by any time for a tour of the center. We would love to show you first hand what your support allows us to accomplish.

In His Service, Karen Fowler Executive Director
