Making a difference...one life at a time

A WOMAN'S PLACE PREGNANCY RESOURCE CENTER

4th Annual 100 Hole Shoot Out

YOUR SUPPORT WILL IMPACT LIVES . . .

On any given day, volunteers and staff are on the front lines making a difference in the lives of hurting young women and men, afraid of the consequences of the choices made. As of our 11th year we have seen thousands come through our doors and now we know there are lives in this area that have been saved because we were here. This is what we hear from our clients about their time with us.

“I remember when I walked into your office when I first became pregnant. I was so scared. Ya’ll have been so good to my son and I. He is almost 5 months old now and I don’t think I would have been able to do it without ya’ll. What you do is truly amazing and I absolutely love the outreach program. Thank ya’ll so much!” Client of AWP

This is why we need your help to continue to reach out to these young adults that are pounded with the media about sex, drugs and alcohol along with the risky behavior which could take their young lives, at the very least change it forever. You may have wondered what you could do to be a part of changing this culture, one way is making sure the volunteers and staff at A Woman’s Place is able to continue impacting young lives. Through your participation in our Shoot-Out, we can expand A Woman’s Place outreach to those who need our services and transform lives right here in your own community.
