## Is fatherhood your next chapter?

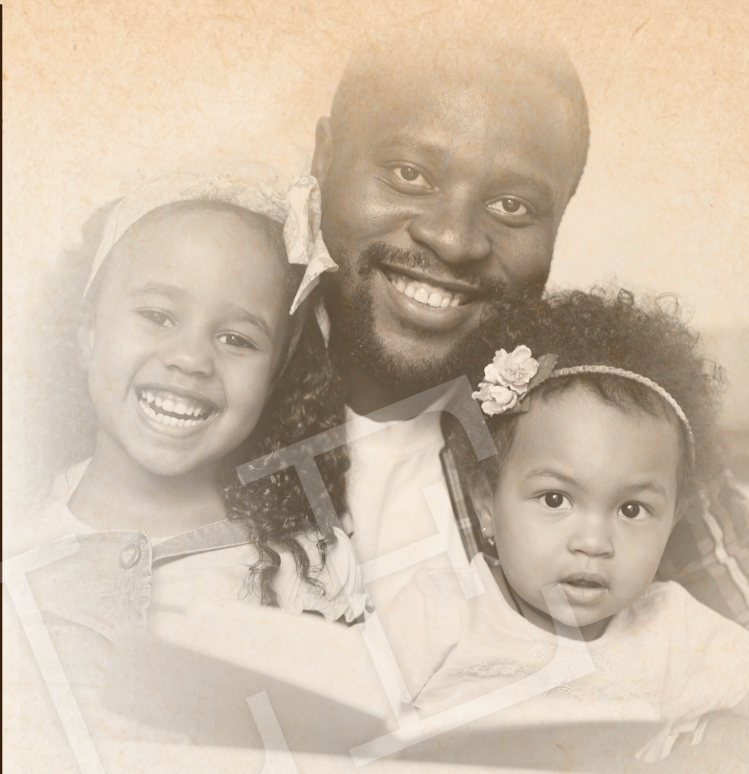

New fathers have many questions and concerns. We can help you be prepared for this new and exciting chapter of your story.

We offer programs to help you be the father you want to be and we are always available to answer your questions and offer support.

We will set up an appointment for you to discuss the things you'd like to know about becoming a dad. You will attend one-on-one classes where you can learn about caring for your new baby. Classes are **FREE** and for each class you attend, you earn points that can be used to buy the things your baby will need: crib, diapers, wipes, formula, clothes and more.
