## Letter from the Director

Six years ago, I was a stay at home mother of three young boys. I was looking for a way to feel connected by helping people again, so I started volunteering at Marion Pregnancy Matters. Once a week, my friend would watch the two youngest boys for two hours so I could volunteer without having to pay a babysitter. She explained to me, that although she couldn't volunteer, this would be a way that she could contribute towards the work that we do here.

In my time from Volunteer to Director, I have met so many wonderful mothers! Their strength and determination to pull themselves up from an overwhelming situation of an unplanned pregnancy never ceases to amaze me. Many times, when I first meet them in the testing room, they are fearful, embarrassed, and unsure of their ability to become a mother. Over the next two years, I see so many of them transform into strong, loving mothers who do everything they can to provide their child with a safe and comfortable upbringing. I love seeing the tenderness that glows from their faces when they look at or speak of their baby! I love being able to encourage them in times where they may feel alone or see no hope.

When you donate to Pregnancy Care Center, you are making it possible for us to provide that love and hope to new mothers. You make it possible for her to have individual emotional support and group educational workshops where she can earn items that she needs for her baby. Without your support, she might not have the extra pack of diapers, or can of formula she needs to make it to the next payday.

Each day that we are open, we have the honor of blessing each family that comes through these doors. It is not a task that one person can do, or even one church can do; but it is only through the combined support of each volunteer and community throughout Southern Illinois, that we can bless and encourage these families. For your support we say **Thank you!**

I look forward to seeing you at the walk in March!
