

Life
is
Sacred

Life is sacred. Sacred because the God of the universe has handcrafted each eternal little one. The value He places on each life is so great that we can't even begin to comprehend it. How can we protect what God so cherishes?

As the body of Christ, we must commit to helping women and men - often alone and frightened - discover the wonder of the new life they carry. In the name of Jesus we must offer truth, love and resources to enable them to find God's plan for themselves and the baby.

This practical ministry is led by pregnancy resource centers across our nation. They offer their clients

the facts they need to make informed decisions, plus other free services like pregnancy testing, confidential peer counseling, and physical help like maternity clothes and diapers.

You can be involved in protecting these sacred lives. Volunteer, donate, pray. Call your church or local center today to find out more about how you can help.
