

Defend • Rescue • Deliver

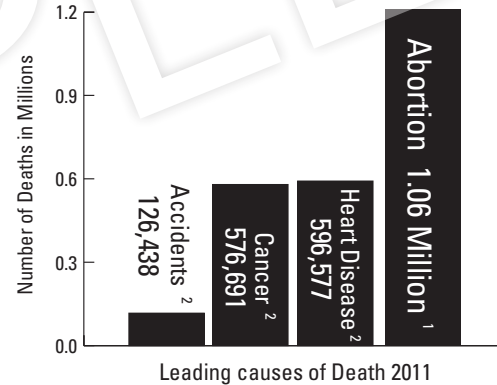

*Defend the cause of the weak and fatherless;
maintain the rights of the poor and oppressed.
Rescue the weak and needy;
Deliver them from the hand of the wicked.*

- Psalm 82:3-4

As God's people, we are commanded to defend the weak and rescue the needy. In an emergency situation, a trained responder will quickly assess the situation and seek out those in the most grave danger. So where should we begin? Who is dying around us? **The leading cause of death in our nation is abortion** – not just in infants, but in the entire US population.

More than 1.2 million abortions were performed in 2008. Between 1973 and 2008 more than 45 million legal abortions were performed, and more are dying every day. Unplanned pregnancies make up nearly half of US pregnancies, and 4 in 10 of these are terminated by abortion.¹

God has called us to defend the weak and fatherless. Don't turn your back on what God has asked of you. Volunteer, pray, donate. Contact us for more information on how you can get involved.
