“Planted in the house of the Lord, they will flourish in the courts of our God.”

-Psalm 92:13 NIV

One of the wonders of life is to watch how fast a baby grows. From cuddly newborn, to tipsy toddler, to curious kiddo, to energetic teen - it happens in the blink of an eye.

But for many women in crisis pregnancies the problems of today keep them from seeing the joys to come. Abortion can seem like an easy way out of their situation or sometimes the only way out.

At the local center we help women and men work through the problems they face and give them compassionate options and real help so that they can choose life for their children.

“Planted in the house of the Lord,
they will flourish
in the courts of our God.”
-Psalm 92:13 NIV

Would you consider helping to reach out with love to more of these women and men to save more of these precious lives?
