Knit
Together

Psalm 139:13

Knit - with the same hands that designed the atom and formed the galaxies.

Knit - with supreme attention and skill.

Knit - to create a unique masterpiece.

At the Pregnancy Support Center, we desire to minister God's love to the mother, the father, the baby, and the extended family. Just as God loves each person no matter their age, race, past mistakes, or current situation, we seek to do the same.

We celebrate Sanctity of Human Life every day by providing loving care, factual information, and practical support to pregnant moms and their families. We invite you to join us.

*For you created my innermost being,
you knit me together in my mother's womb.*
