

# IMAGO DEI

THE IMAGE OF GOD

# The Sanctity of Human Life

Genesis 1:27 - So God created mankind in his own image, in the image of God he created them; male and female he created them.

God's ultimate artistic creation - **the pinnacle of His own self expression** - is YOU. This includes everyone around you and each human on our planet.

The Creator God has made each life a one-of-a-kind original to reflect His own image, to bring Himself glory, for His own purposes. That includes young and old, weak and strong, every race, rich and poor. Each soul is eternal and of infinite worth to our God.

Join us today in honoring the sanctity of **all human life** especially the most vulnerable - the unborn.

The purpose of the local pregnancy center is to be an avenue for those who are broken and confused facing an unplanned pregnancy or similar problem, regardless of racial or social

status, to experience the love and care of Jesus. They provide many services for the clients in order to educate them and get them back on their feet. These services include pregnancy tests, peer counseling, material needs, parenting classes, and much more.

As a non-profit organization, these services and facilities are made possible by donations from churches and individuals in the community. Please prayerfully consider how God can use you in helping in the coming year.
