PREGNANCY CARE CENTER

EPH.  
2:10

Everything starts with one as it is the beginning of change. One person, one action, or one word has the power to change everything. Our clients know this well. They enter through our doors seeking help, and they usually have one thing on their minds - they need a solution to their unexpected problem. We are ready to answer their questions and provide them with resources that may help them understand the potential of that one little life hidden away in the womb.

### We do this by offering the following services:

- Free Pregnancy Testing
- Confidential Counseling
- Ultrasounds
- STD/STI Testing
- Men's Ministry

You might be one person, but you have the ability to make a world of difference for many people. We depend on your involvement to be able to share the love of Christ. There are multiple ways that you can participate in this ministry. Which one will you be?

### THE DONOR

#### WHO PROVIDES

a single mother with supplies.

### THE VOLUNTEER

#### WHO MAKES A DIFFERENCE

in the lives of a struggling couple.

### THE WORKER

whose talents strengthen our reach.

### THE SPEAKER

#### AT YOUR CHURCH

who rallies your members to participate in this incredible ministry.

There is so much you can do.  
You can **be the one.**
