

"For You created my inmost being, you knit me together In my mother's womb. I praise you because I am fearfully and wonderfully made." - Psalm 139:13

As we remember and grieve over what grieves God's heart, what are we – the Church – to do? Every day thousands of women have abortions because they feel they have no other choice. They may be pressured by family, friends or finances. Our culture encourages the exercise of this right. But most women deep down wish for another way. After over thirty years of legal abortion, can the Church make a difference?

By partnering with us you can help end the tragedy of abortion — one life at a time. We work with each client on an individual basis to meet their needs so that giving life to their baby is a viable option. We also prevent unwanted pregnancies by training youth to save sex for marriage and offer healing and forgiveness in Jesus to those already wounded by an abortion in their past.

Commenting on a decrease in abortion statistics, Time Magazine credited pregnancy centers like ours, "There would seem to be evidence that the quiet campaign for women's hearts and minds, conducted in thousands of crisis pregnancy centers around the country . . . is having an effect."

We are making a real difference in your "... whatever community. Volunteers are always needed you did for one whatever your talents and time – from answering of the least of phones to peer counseling women in crisis; you can put them to work for Jesus at the center. Helping these brothers with even the smallest task is an investment that of mine, you will earn eternal rewards. We will train you - come did for me." join our team. Prayer warriors and involvement with fundraising events are fun ways to be a part, too. Matthew 25:40 Since we serve all women freely and do not receive government funds, we depend on the church and community for funding. Your financial support allows the center to continue to reach mothers, babies and families for Jesus.
