

# There is a light inside each human being. Bulletin Insert - Back

The light of life. A fragile flame. A sacred, precious spark that is either protected or snuffed out. We have the honor of offering hope to those who are struggling to find the true Light - Jesus Christ. We are His hands and feet. Our doors are open to all who struggle with an unplanned pregnancy. Our ultrasound ministry shines light on a new life hidden in the womb. Our abortion recovery program helps to heal the shadows of deep wounds. Our education and support programs provide physical and practical help in dark times. Our men's ministry programs help new and expectant dads find their way. Light drives out darkness as truth and love drive out fear.

We depend on our supporters to keep our light shining. Whatever gifts God has given you, we can use them for His glory.
