

Sanctity of Human Life Sunday

Bulletin Insert (Front)

"Before I formed you in the womb I knew you; Before you were born I sanctified you."

Jeremiah 1:4-5a

Our God not only knows each baby before birth, he also sanctifies them. Sanctity means to make holy and set apart. Each baby is sacred and has a vital purpose in God's plan.

When facing an unplanned pregnancy, it is hard for a woman (or a man) to think about anything other than how this will affect their immediate lives. They feel stranded and overwhelmed. Many clients feel alone and that the only option is to abort.

We are committed to compassionately providing information and practical services to meet our client's physical, emotional and spiritual needs. We help them to see all the options and to realize that they are not alone.

Our services are free and confidential:

- **Medical services:** Pregnancy testing; Ultrasound exams; Sexually Transmitted Disease testing
- Help-line and in-office peer counseling
- **Social Services:** Medical referrals; Temporary housing referrals
- Maternity and baby clothes
- Parenting classes
- Post abortion counseling
- Abstinence education

There is something that you can do to help:

- Prayer Partner
- Volunteer
- Financial Partner
- Church Representative

Please call us today at 800-338-8928 for more information about how you can get involved in saving lives.
