

# IT COULD BE A WONDERFUL LIFE

On the bridge of decision, help women see that it CAN be a wonderful life

*"I have no other path to take"*

---

Everyday women in our community and across the country are faced with a life and death decision for their unborn babies. Most feel like they really don't have a choice at all.

*"I can't seem to find any hope"*

---

At our local center we are giving women the real hope and help they need. We provide free pregnancy tests, confidential counseling, community referrals, and information on ALL the options.

Call us today to find out how you can be a part of this effective, exciting ministry by praying, giving, and serving.

In God's plan, no life is a mistake. Every precious child born is a wonderful new life. Each hurting soul who comes to Christ finds a wonderful new life in Him.

The life you help to save will be a wonderful life!

## *At the bridge of decision*

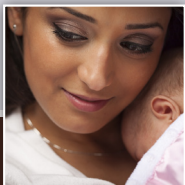

In the classic Christmas movie, "It's a Wonderful Life", George gets the rare gift of seeing the difference his own life has made.

We can give women, as they stand on a bridge of decision, the gift of seeing the difference their unborn babies' lives can make. These are precious lives created by God for a purpose. Their lives will bless grandparents, siblings, friends, and their own children.

The pregnancy center helps women see beyond their current crisis to a wonderful plan God has for them and their child. We give factual information, practical resources, and loving support.

Will you join us today in showing hurting moms that it can be...
