Help Us Save First Steps
by taking these

Will you choose life?

Will you stand up for their first steps?

The word of God says that Jesus came to give life and life more abundantly. He has a purpose for all of us and that includes our unborn. They have a purpose to live an abundant life.

Right now, many women and men are facing unplanned pregnancies. They are being forced to make the most important decision of their lives. Abortion is the decision many of them are choosing to solve what they feel is a helpless problem.

They need someone – a friendly face to show them abortion is not the only choice and to provide other options and resources.

At The Pregnancy Care Center, we provide the impossible possibilities. God has placed in our hearts to fight in faith for LIFE. We fight against abortion by offering real help for these women and men. We help them to know and understand all their options so that they can CHOOSE LIFE.

Will you get involved?
