You can Save Lives

Take the **FIRST STEPS**

How You Can Help:

1. Contact your local pregnancy center
2. Use your skills- they need volunteers!
3. Lift up the center in your prayers
4. Donate
5. Get involved in fund-raising events

The steps of a good man are ordered by the Lord, and He delights in his way.

-Psalm 37:23

There is nothing more precious in this world than the life of a newborn child. However, every day abortions across the country threaten the lives of innocent children and cause incredible damage to women and families.

Pregnancy centers exist to provide services to women who face the daunting prospect of an unwanted pregnancy. They provide compassionate services to help women choose life for their children. Yet these centers cannot continue providing ministry without your support.
