

One of the wonders of life is to watch how fast a baby grows. From cuddly newborn, to tipsy toddler, to curious kiddo, to energetic teen - it happens in the blink of an eye.

But for many women in crisis pregnancies the problems of today keep them from seeing the joys to come. Abortion can seem like an easy way out of their situation.

At the Pregnancy Center we help women work through the problems they face and give them compassionate options and real help so that they can choose life for their children.

"Planted in the house of the Lord,
they will low use of the Lord,
in the courts of our lod."
-Psalm 92:13 NIV

Would you consider helping us reach out with love to more of these women and save more of these precious lives?
