EVERYDAY
HEROES!!

Every day thousands of women are faced with a choice - an unwanted pregnancy. They feel unloved and alone.

Every day thousands of fathers are faced with crippling fear of the future. They are afraid to act and sometimes feel powerless. They too feel unloved and alone.

Everyday thousands of babies are denied the chance to live and to be loved. These babies are powerless and have no voice.

We need you..... to be an ***EVERYDAY HERO!!***

To stand up for those who cannot and to be present to those who desperately need love and support.

Here are some ways to help:
