

Going **MEDICAL**

For the Sanctity of Human Life

**We need your help to continue to fund
our new medical clinic.**

God's people work together...

The lights come on and rent is paid on time, thanks to our financial donors. The center is clean, organized, and ready to serve, thanks to our behind the scenes volunteers. Our closet is stocked with supplies, thanks to donations from our local churches. Our ultrasound machine allows a young girl to see the new life growing inside of her, thanks to our medically trained volunteers. The questions of a desperate boyfriend will be answered because our volunteer receptionist is there to connect him to a peer counselor who knows what he is going through. A woman finds her way to our center after picking up a brochure that was paid for with funds raised by boys and girls who participated in the Walk for Life.
