HOPE

Every day thousands of women are faced with a choice - an unwanted pregnancy. They feel unloved and alone. That choice may be the hardest thing that they will ever face.

At the Pregnancy Care Clinic, we offer these women the love and answers they seek. We give them the most up to date information so that they can make an informed decision. We offer them a non-judgemental environment of compassion, a place where they can come to voice their concerns and to seek out the love of Jesus Christ.

Now that we have gone mobile, no client is out of reach. It is our mission to serve all those in need of God's love and support during a difficult time.

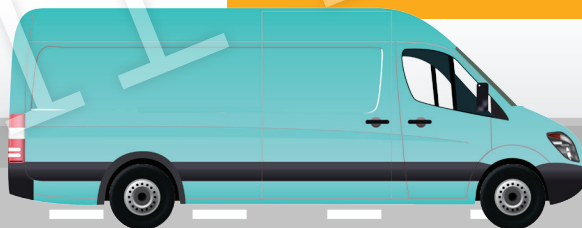

★ Mobile Services

The following services are still free of charge to our clients and will be offered on our mobile center!

- Ultrasound
- Pregnancy Testing
- Compassionate Counseling
- Contraception
- Service Referrals
