

A newborn baby is lying in a large, open oyster shell on a sandy beach. The baby is curled up, sleeping peacefully. The shell is resting on the sand, and several pearls of different sizes and starfish are scattered around it. The background is a soft, blue gradient with sparkling light effects. The text 'Pearls OF GREAT PRICE' is written in a large, elegant, cursive font, with 'OF GREAT PRICE' in a smaller, bold, sans-serif font. A large, faint watermark of the letters 'SHE' is visible in the background.

## SOHL Brochure Back

Every day thousands of women are faced with a choice - an unwanted pregnancy. They feel unloved and alone. That choice may be the hardest thing that they will ever face.

At the Pregnancy Care Clinic, we offer these women the love and answers they seek. We give them the most up to date information so that they can make an informed decision. We offer them a non-judgemental environment of compassion, a place where they can come to voice their concerns and to seek out the love of Jesus Christ.

God gave us the gift of life,  
because it truly produces  
hope in our lives. As we  
care for our clients,  
fear is lifted and the  
true abundance of  
God's grace begins to  
shine in their lives.

We need your help in  
this fight to protect lives.

Between the Roe v. Wade decision in 1973 and 2011, nearly 53 million legal abortions had occurred in the United States alone. Abortion is the leading cause of death in our nation - not just in infants, but in the entire U.S. population. Abortion can seem like an insurmountable evil - a problem against which we have little power to fight.
