

CELEBRATE

*Miracles*

after

**50 YEARS**

**ROE v WADE**

is overturned

*"With God all things are possible."*

– Matthew 19:26

A woman with dark, curly hair is gently holding a newborn baby. She is looking down at the baby with a soft expression. The baby is wrapped in a light-colored cloth. The background is a warm, golden-brown color with a subtle pattern of small stars or sparkles.

# *Nothing is impossible for God.*

50 years after Roe v Wade the supreme court overturned their decision. Today we take a moment to celebrate this miracle.

In that 50 years more than 64 million babies lost their chance to live.

You may wonder what this means for our ministry. The truth is – nothing has changed – except we are going to be needed more than ever! We are still here for those in unplanned pregnancies. Men and women struggling to see life beyond their current situation can find help and hope in the love of God. Our ultrasound will reveal to them the miracle of a new life hidden in the womb. Our parenting classes & material assistance programs will help them even after their baby is born.

Will you be part of the next miracle?

- Volunteer: your time will help us save lives.
- Become a financial partner: no contribution is too small.
- Donate services: your gift will make a difference.
- Be a church liaison: help us connect to our community.
