## BUILDING A *Culture of life* IN OUR COMMUNITY

The value of life is under attack. We are working to build a culture that understands and defends the precious gift of Life. The divine worth of each life is rooted in the Creator and what He says about mankind. We have the truth of God's word to build a solid foundation for those who are struggling to see the plan for their own life or that of their unborn child.

Men and women struggling to see life beyond an unplanned pregnancy can find hope in the love of God. Our ultrasound service lets them see the undeniable evidence of life being knit together in the womb. Our abortion recovery program helps to heal deep wounds through grace and forgiveness. Our education and support programs provide physical and practical help in difficult times. Our men's ministry programs help new and expectant dads become effective fathers.

Each building block in our ministry is centered around one idea. Life matters.

We depend on supporters like you to build up our culture. What block will you help us place?

- **Volunteer** - Don't worry, we will train you!
- **Become a financial partner** - No contribution is too small.
- **Donate services** - Your gifts can make a difference.
- **Be a church liaison** - Help us shine in our community.
