PLEASE NOTE:

The colors used on this proof are as close as we can get to actual color. What you see on your computer screen or office printer **WILL NOT** be exact. It is very hard to get a fabric color to convert to a digital color and even if we get it very close, your display or printer will not reproduce it exactly unless they are calibrated daily. If it is imperative that you get an exact color, you will need to request a printed proof for \$15.
